Subject: Tenth Amendment Resolution

Dear Friend,

I want to give you an update on the 10th Amendment Resolution. Last year the bill passed the Oklahoma House 92-3. It was not heard in the Senate because the Senate Democrats refused to let it be heard. I have refiled the bill for the upcoming session as HJR 1003.

This coming session should be different because the Republicans took control of the Senate. The margin in the 2009-2010 session will be 26 Republicans to 22 Democrats.

It is not guaranteed that the bill will be heard or passed. This is where I need your help. I need you and everyone who cares about preserving our constitution to contact your state representative and state senator and tell them you want them to support HJR 1003.

If you live in a state other than Oklahoma, please contact your state representative or state senator and ask them to file a 10th Amendment Resolution in your state. If you do have a legislator in your state that is interested in sponsoring a bill, please let my legislative assistant know and we will be in communication with them. My assistant's name is Sharon Brown. Contact information for Ms. Brown and my office is: sharon.brown@okhouse.gov or 405-557-7354.

Thank you for your efforts and help in saving our constitutional form of government.

Sincerely,

A handwritten signature in cursive script that reads "Charles Key".
